

HOW TO USE YOUR CLASSIC LODGES WEEKEND BREAK TOKENS

- For weekend rate details, availability and to make a booking you MUST call central reservations on **08456 038892** at least 14 days prior to your intended stay specifying that you require the Bed and Breakfast rate and that you will be paying with Clubcard Deals Token(s).
- Deals Tokens(s) are valid for 6 months from date of issue. Deals Tokens(s) cannot be used in conjunction with any other offer, internet offer, scheme or promotion. Classic Lodges reserve the right to remove any hotels from this promotion.
- Deal Token(s) may only be used by the Clubcard Holder (whose name is printed on the Tokens) however there can be more than one named Token per booking as long as those named are traveling too. Tokens cannot be given as gifts.
- Deals Tokens are only valid against a 2-night weekend stay from Friday to Sunday inclusive on the Classic Lodges Bed and Breakfast rate. Rates for 2-night midweek stays are available on request at the time of booking. Extra nights can be booked for the weekend and midweek breaks. However they must be paid for in cash. Vouchers cannot be used. Tokens are based on 2 people sharing a twin or double room, all other rates are excluded. All bookings are subject to availability and rates quoted are “from” and as such may fluctuate depending on availability at any given time. Bookings are subject to the Classic Lodges’ standard term and conditions. Tokens cannot be used to pay for any extras at the hotel such as food & beverage, telephone calls, room service etc. Any additional extras will be payable at the hotel by cash, credit or debit card on departure. Certain dates may be excluded at your chosen hotel – including certain dates over Christmas and the New Year.
- Please note: if you are not paying the full balance by Deals Tokens, then we will take your debit/credit card details and debit the difference on confirmation of booking. In the event that you do not show up for your reservation your credit/debit card will be charged an amount for non-arrival.
- Provide details of the serial number on the front of your Deals Tokens(s) to the operator; they will then confirm your reservation and provide you with a booking reference. Please write your booking reference on your Deals Tokens(s) and send them to: **Kate McNeill, Levens House, Foxhole Road, Ackhurst Park, Chorley, Lancs PR7 1NW**

- Please ensure that your Deals Tokens(s) are received within 7 days of making your booking or your reservation may be cancelled. As your Deals Tokens cannot be replaced we recommend that you send your Deals Tokens by Special Delivery. You cannot add more Deals Tokens to your bookings at a later date, so please ensure you enclose all your Tokens for your booking – you may use more than one Deals Token per booking. No change will be given if the value of Deals Tokens is greater than the cost of the stay. Deals Tokens can only be used against new bookings. Once the Deals Tokens(s) have been received, you will receive a confirmation email. A letter of confirmation will not be issued. The hotel will be advised that your vouchers have been received.

- Cancellations are to be notified to Central Reservations at least 7 days prior to arrival date. Deals Tokens(s) will not be refunded.

- We hope you enjoy the Clubcard Deal you have chosen. However, if you would prefer to use your Clubcard Deal Token(s) for an alternative hotel group in the Deals scheme, please ensure you have checked out the relevant fulfillment for that hotel group as booking instructions do vary. These Tokens can also be used as full or part payment for any Deal which does not have the 'Buy in Full' logo next to it in the brochure but cannot be used for Motorpoint purchases.
