Bagden Hall is an imposing Victorian country house set in beautiful gardens and grounds containing a lake - a perfect environment in which to work and relax.

With a location between Leeds and Sheffield the hotel has excellent links to the motorway network, 10 minutes from the M1.

From the moment you turn into the forty acres of secluded and well tended grounds, you sense that you are somewhere special. And you are. This stylish hotel retains many authentic original features and prides itself on its blend of Victorian splendour with every modern comfort.

The 36 bedrooms are tastefully furnished and many overlook the beautiful gardens. Each is equipped with everything necessary for a comfortable stay away from home.

Within the grounds lies the challenge of 'The Little Gem'. This superbly manicured nine hole golf course curls through an established copse and has several water features.

Throughout your stay, the experienced management team will be on hand to ensure your event runs smoothly.

"I would like to thank you for helping to make our networking event very successful. Feedback was excellent, please thank your staff - they were courteous, helpful and friendly and I look forward to working with you all again."
