

Bagden Hall

In stunning West Yorkshire countryside

BAGDEN HALL
HOTEL | *West Yorkshire*

A selection of reception rooms and the dedicated Orchard Suite, with its own entrance and capacity for 160 people, make us the ideal location for weddings, meetings, events and product launches. Our newly-renovated lakeside Victorian Folly is a unique civil ceremony venue too.

Built by a prosperous Victorian mill owner in the 1860s, Bagden Hall is a luxurious country house hotel set in 40 acres of secluded parkland with its own lake and stunning views.

Centrally located in Denby Dale, and just ten minutes from junctions 38 and 39 of the M1, it's perfect for corporate events or weddings, and for a relaxing Yorkshire break.

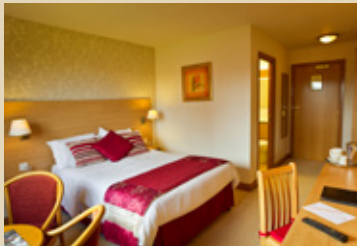

All 36 en-suite rooms and suites offer style and comfort befitting an elegant country house, many having large windows overlooking parkland and the views beyond.

Bagden Hall has two dining options: Norton's, our informal bistro, and the elegant Glendale Restaurant, both featuring menus that include local seasonal Yorkshire produce whenever possible.
